BOCA RATON® COLLECTION

Soft generous curves lend classic simplicity to a collection of faucets and accessories in three of today's most popular finishes that will stand the test of time in settings that range from traditional to contemporary. Create a custom look with our Boca Raton bath fixtures. Add a touch of luxury with a Mirabelle whirlpool or soaker tub.

Coordinate lighting products with the Park Harbor™ Scarborough family.

BOCA RATON®

TWO-HANDLE WIDESPREAD LAVATORY FAUCET
Product Code: MIRWSBR800

- Brass construction
- Metal cross handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- CEC compliant version (1.2 GPM) available: MIRWSCBR800

TWO-HANDLE WIDESPREAD LAVATORY FAUCET
Product Code: MIRWSBR801

- Brass construction
- Metal cross handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- CEC compliant version (1.2 GPM) available: MIRWSCBR801

SINGLE-HANDLE VALVE ONLY TRIM KIT
Product Code: MIRBR8010

- Brass construction
- Metal cross handle
- Valve trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001

THERMOSTATIC VALVE TRIM
Product Code: MIRBR9009

- Brass construction
- Metal cross handle
- Precision temperature control
- High flow valve
- Requires valve MIR6004 or MIR6006

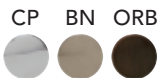

TRANSFER VALVE TRIM
Product Code: MIRBR9005

- Brass construction
- Metal cross handle
- Requires valve MIR6103
- 3 Independent and 3 Shared settings
- For CAL Green compliant non-shared order optional MIR6150 cartridge

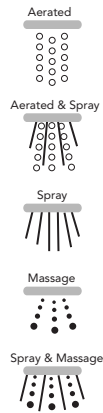

VOLUME CONTROL VALVE TRIM
Product Code: MIRBR9007

- Brass construction
- Metal cross handle
- Precision volume control
- Requires valve MIR6020 or MIR6040

Products available in the following finishes:

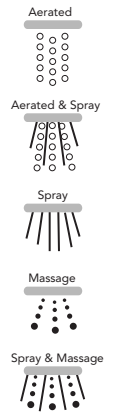

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SINGLE-HANDLE SHOWER ONLY TRIM KIT

Product Code: MIRBR8020E

- Brass construction
- Metal cross handle
- Shower trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- 5 function showerhead
- Easy clean nozzles
- 2.0 GPM max flow

SINGLE-HANDLE TUB AND SHOWER TRIM KIT

Product Code: MIRBR8030E

- Brass construction
- Metal cross handle
- Tub and shower trim
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- 5 function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- 1/2 CTS slip fit spout

TWO-HANDLE ROMAN TUB FAUCET

Product Code: MIRBR3RT2

- Brass construction
- Metal cross handles
- Ceramic disc cartridge
- 8" - 16" installation
- Includes rough in valve

ROMAN TUB DIVERTER KIT WITH HAND SPRAY

Product Code: MIRBR2RTD

- Brass construction
- Pull up knob
- Includes rough in diverter valve

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

ACCESSORIES

- All metal construction
- Mounting hardware included

ROBE HOOK
Product Code: MIRBRKWRH

TISSUE HOLDER

SINGLE-HANDLE VESSEL FAUCET
Product Code: MIRWSED100L

- Brass construction
- Metal lever handle
- Ceramic disc cartridge
- 1 or 3 hole installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- Includes deck plate for 3 hole install
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCED100L

TWO-HANDLE WIDESPREAD LAVATORY FAUCET
Product Code: MIRWSED800H

- Brass construction
- Metal lever handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCED800H

SINGLE-HANDLE LAVATORY FAUCET
Product Code: MIRWSED100P

- Brass construction
- Metal lever handle
- Ceramic disc cartridge
- 1 or 3 hole installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- Includes deck plate for 3 hole install
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCED100P

TWO-HANDLE WIDESPREAD LAVATORY FAUCET
Product Code: MIRWSED800

- Brass construction
- Metal lever handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCED800

SINGLE-HANDLE WALL MOUNT VESSEL FAUCET
Product Code: MIRWSED100

- Brass construction
- Metal lever handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCED100

Products available in the following finishes:

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SINGLE-HANDLE VALVE ONLY TRIM KIT

Product Code: MIRE8010

- Brass construction
- Metal lever handle
- Valve trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- ADA compliant

THERMOSTATIC VALVE TRIM

Product Code: MIRE9009

- Brass construction
- Metal lever handle
- Precision temperature control
- High flow valve
- Requires valve MIR6004 or MIR6006
- ADA compliant

TRANSFER VALVE TRIM

Product Code: MIRE9005

- Brass construction
- Metal lever handle
- Requires valve MIR6103
- 3 Independent and 3 Shared settings
- For CAL Green compliant non-shared order optional MIR6150 cartridge
- ADA compliant

VOLUME CONTROL VALVE TRIM

Product Code: MIRE9007

- Brass construction
- Metal lever handle
- Precision flow control
- Requires valve MIR6020 or MIR6040
- ADA compliant

SINGLE-HANDLE SHOWER ONLY TRIM KIT
Product Code: MIRE8020E

- Brass construction
- Metal lever handle
- Shower trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- Single function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- ADA compliant

SINGLE-HANDLE TUB AND SHOWER TRIM KIT
Product Code: MIRE8030E

- Brass construction
- Metal lever handle
- Tub and shower trim
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- Single function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- 1/2 CTS slip fit spout

ST. AUGUSTINE® COLLECTION

Fine design steeped in tradition is the hallmark of a timeless conception that features finely sculpted curves and tapered lines. Choose regal and refined bath fixtures from the collection for a magnificent blend of function and style. Add a Mirabelle whirlpool or soaker tub for sublime relaxation.

Coordinate lighting products with the Park Harbor™ Antonia family.

ST AUGUSTINE®

TWO-HANDLE WIDESPREAD LAVATORY FAUCET

Product Code: MIRWSSA800

- Brass construction
- Metal lever handles
- Ceramic disc cartridge
- 6" - 12" installation
- 1.5 GPM max flow
- Brass pop-up drain assembly
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCSA800

SINGLE-HANDLE VALVE ONLY TRIM KIT

Product Code: MIRSA8010

- Brass construction
- Metal lever handle
- Valve trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- ADA compliant

THERMOSTATIC VALVE TRIM

Product Code: MIRSA9009

- Brass construction
- Metal lever handle
- Precision temperature control
- High flow valve
- Requires valve MIR6004 or MIR6006
- ADA compliant

TRANSFER VALVE TRIM

Product Code: MIRSA9005

- Brass construction
- Metal lever handle
- Requires valve MIR6103
- 3 Independent and 3 Shared settings
- For CAL Green compliant non-shared order optional MIR6150 cartridge
- ADA compliant

VOLUME CONTROL VALVE TRIM

Product Code: MIRSA9007

- Brass construction
- Metal lever handle
- Precision flow control
- Requires valve MIR6020 or MIR6040
- ADA compliant

CP BN ORB

Products available in the following finishes:

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SINGLE-HANDLE SHOWER ONLY TRIM KIT

Product Code: MIRSA8020E

- Brass construction
- Metal lever handle
- Shower trim only
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- Single function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- ADA compliant

SINGLE-HANDLE TUB AND SHOWER TRIM KIT

Product Code: MIRSA8030E

- Brass construction
- Metal lever handle
- Tub and shower trim
- Pressure balanced
- Use with ACCUFIT™ valve MIR3001
- Single function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- 1/2 CTS slip fit spout
- ADA compliant

TWO-HANDLE ROMAN TUB FAUCET

Product Code: MIRSA3RT

- Brass construction
- Metal lever handles
- Ceramic disc cartridge
- 8" - 16" installation
- Includes rough in valve
- ADA compliant

ROMAN TUB DIVERTER KIT WITH HAND SPRAY

Product Code: MIRSA2RTD

- Brass construction
- Metal lever handle
- Ceramic disc cartridge
- Includes rough in diverter valve

BRADENTON

SINGLE-HANDLE LAVATORY FAUCET

Product Codes: MIRWSBD101

- Brass construction
- Metal lever handle
- Ceramic disc cartridge
- 1 hole installation
- 1.5 GPM max flow
- Brass push activated drain assembly
- ADA compliant
- CEC compliant version (1.2 GPM) available: MIRWSCBD101

Products available in the following finishes:

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

PRESSURE BALANCE VALVE MIR3001

- Pressure balance valve with integral stops
- Ceramic disc cartridge
- 6.26 GPM flow rate at 60 psi

VOLUME CONTROL VALVE

MIR6020 (1/2" connection)
MIR6040 (3/4" connection)

- Ceramic disc cartridge
- Precise volume control
- MIR6020 - 10.83 @ 60 PSI
- MIR6040 - 14.52 @ 60 PSI
- High flow design for multiple showering functions

THERMOSTATIC VALVE

MIR6004 (1/2" connection)
MIR6006 (3/4" connection)

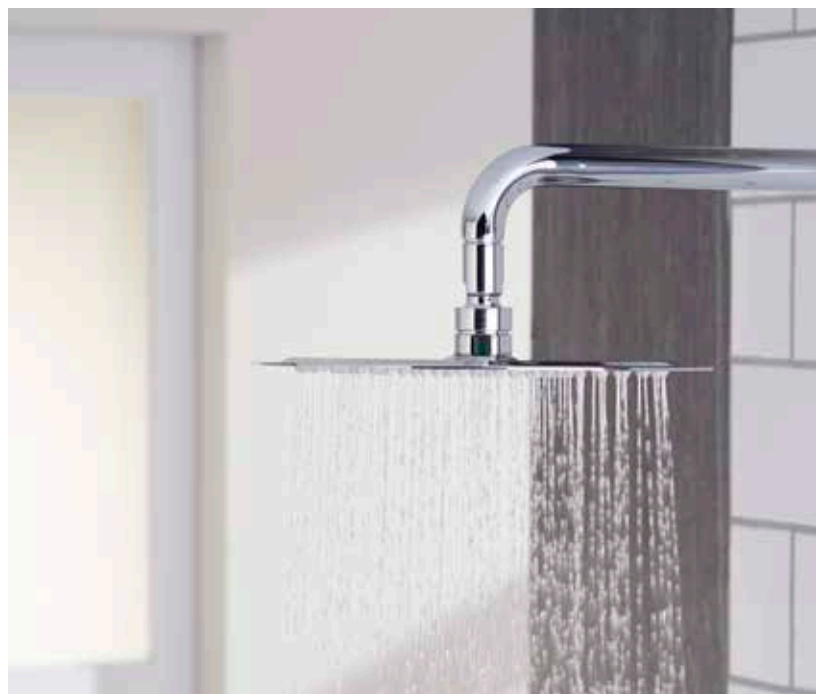

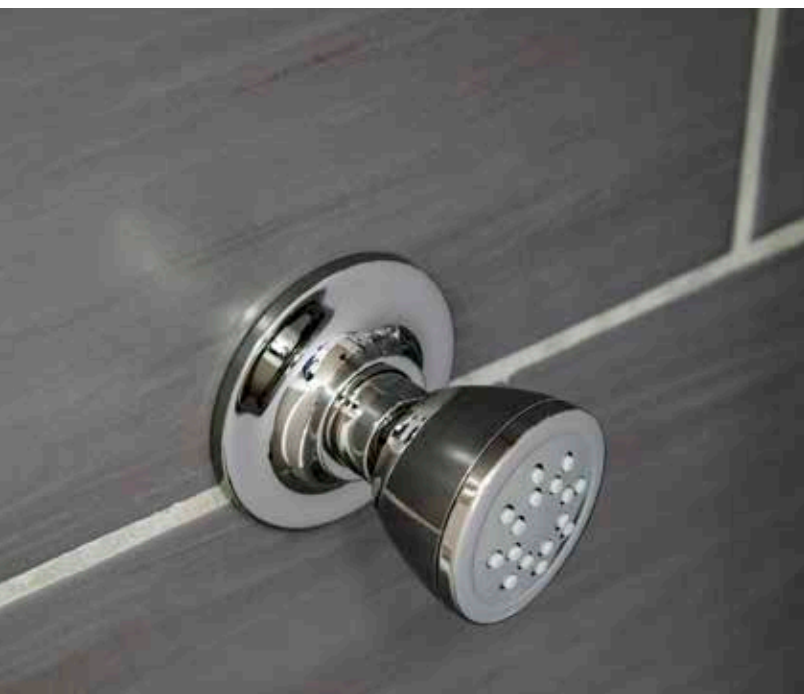

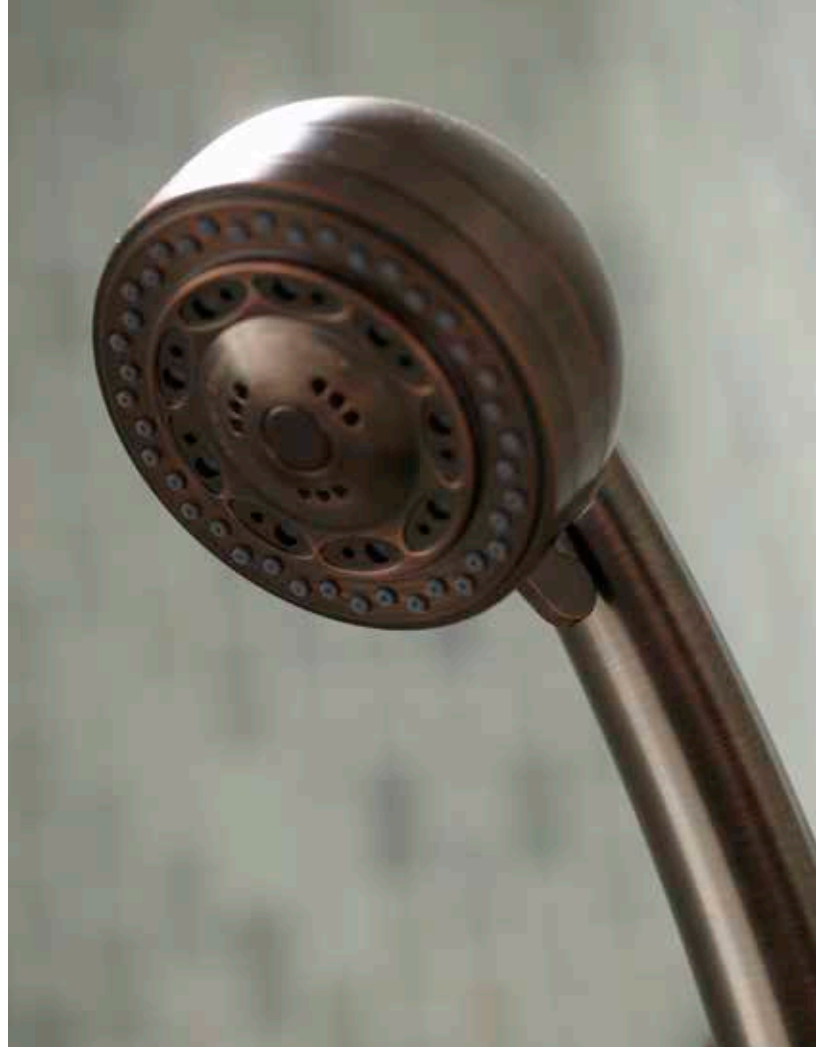

- Precise temperature control
- MIR6004 -11.35 GPM @ 60 PSI
- MIR6006 -16.11 GPM @ 60 PSI
- High flow design for multiple showering functions
- Requires an MIR6234 twin ell for tub diverter spout installations
- Requires Mirabelle sophistispa volume control valve 6020 or 6040 series

TRANSFER VALVE

MIR6103 (3/4" connection)

- 15.05 GPM @ 60 PSI
- 6 way diverter design - 3 independent and 3 shared settings
- High flow design for multiple showering functions
- Optional 3 way cartridge MIR6110 - 3 distinct independent settings with shared flow between settings
- Optional CALGreen cartridge MIR6150 - 3 distinct independent settings and no shared flow between settings

TUB AND SHOWER ACCESSORIES

MULTIFUNCTION SHOWERHEAD

Product Code: MIRSH2030E

- Brass and ABS construction
- 1/2" connection
- 5 function showerhead
- Easy clean nozzles
- 2.0 GPM max flow
- Requires shower arm and flange
- Available in CP, BN and ORB

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRSH2020E

- Brass and ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Requires shower arm and flange
- Available in CP and BN

MULTIFUNCTION SHOWERHEAD

Product Code: MIRSH2040E

- Three function showerhead
- Brass and ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Requires shower arm and flange
- Available in CP, BN and ORB

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRSH2060E

- Brass and ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Requires MIRSK88 shower arm and flange
- Available in CP, BN and ORB

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRSH2010E

- Brass and ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Requires shower arm and flange
- Available in CP, BN and ORB

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRSH2070E

- Brass and ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Requires shower arm and flange
- Available in CP, BN, ORB, and PN

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRRS820R-8" 2.0 GPM
 MIRRS825R -8" 2.5 GPM
 MIRRS1025R-10" 2.5 GPM

- Stainless steel construction
- 1/2" connection
- Easy clean nozzles
- Requires shower arm and flange
- Available in CP and BN

SINGLE FUNCTION SHOWERHEAD

Product Code: MIRRS820S-8" 2.0GPM
 MIRRS825S-8" 2.5GPM
 MIRRS1025S-10" 2.5GPM

- Stainless steel construction
- 1/2" connection
- Easy clean nozzles
- Requires shower arm and flange
- Available in CP and BN

SINGLE FUNCTION BODY SPRAY

Product Code: MIRBS5010E

- Brass construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Available in CP, BN, ORB

SINGLE FUNCTION BODY SPRAY

Product Code: MIRBS5040E

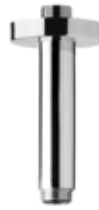

- Brass construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Available in CP, BN, ORB

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SHOWER ARM AND FLANGE KIT
 Product Code: MIRRSA120 -12"
 MIRRSA180 -18"

- Brass construction
- 1/2" connection
- Available in CP and BN

SHOWER ARM AND FLANGE KIT
 Product Code: MIRRSC40 -4"
 MIRRSC120 -12"

- Brass construction
- 1/2" connection
- Available in CP and BN

SHOWER ARM AND FLANGE KIT
 Product Code: MIRSK85

- Brass construction
- 1/2" connection
- Available in CP, BN, ORB, and PN

CONTEMPORARY SHOWER ARM
 Product Code: MIRSK88

- Brass construction
- 1/2" connection
- Requires MIRSH4060E shower head
- Available in CP, BN, ORB

SHOWER ARM AND FLANGE KIT
 Product Code: MIRSK80

- Brass construction
- 1/2" connection
- Available in CP and BN

MULTIFUNCTION HAND SHOWER
 Product Code: MIRHS4020E

- ABS construction
- 1/2" connection
- 5 function hand shower
- Easy clean nozzles
- 2.0 GPM max flow
- Available in CP, BN, ORB, and PN

MULTIFUNCTION HAND SHOWER
 Product Code: MIRHS4010E

- ABS construction
- 1/2" connection
- 5 function hand shower
- Easy clean nozzles
- 2.0 GPM max flow
- Available in CP, BN, ORB

SINGLE FUNCTION HAND SHOWER
 Product Code: MIRHS4060E

- ABS construction
- 1/2" connection
- Easy clean nozzles
- 2.0 GPM max flow
- Available in CP, BN, ORB

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

SHOWER ARM BRACKET

Product Code: MIRSM2030

- Brass and ABS construction
- 1/2" connection
- Adjustable mount for hand shower
- Available in CP, BN, ORB

HAND SHOWER WALL MOUNT BRACKET

Product Code: MIRWB2010

- ABS construction
- Holds hand shower in a fixed wall mount position
- Adjustable angle
- Available in CP, BN, ORB, and PN

WALL MOUNTED SUPPLY ELBOW

Product Code: MIRWE2040

- Brass construction
- 1/2" connection
- Available in CP, BN, ORB, and PN

30" SLIDE BAR FOR HAND SHOWER

Product Code: MIRSB3010

- Brass construction
- Slide bar with friction mount holder
- Allows hand shower to be used at varying heights
- Available in CP, BN, ORB, and PN

30" SLIDE BAR FOR HAND SHOWER

Product Code: MIRSB3020

- Brass construction
- Slide bar with friction mount holder
- Allows hand shower to be used at varying heights
- Available in CP, BN, ORB

HAND SHOWER HOSE

Product Code: MIRH1010

- Spiral wound metal hose
- 1/2" connection
- Hose stretches from 60" to 72" for ease of use
- Available in CP, BN, ORB, and PN

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.

TUB SPOUT
Product Code: MIRTS93

- Metal construction
- 1/2" CTS slip-fit connection
- Available in CP, BN, ORB

DIVERTER TUB SPOUT
Product Code: MIRTS92

- Metal construction
- 1/2" CTS slip-fit connection
- Available in CP, BN, ORB

TUB SPOUT
Product Code: MIRTS95

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP and BN

DIVERTER TUB SPOUT
Product Code: MIRTS94

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP and BN

TUB SPOUT
Product Code: MIRTS91

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP, BN, ORB

DIVERTER TUB SPOUT
Product Code: MIRTS90

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP, BN, ORB

DIVERTER TUB SPOUT
Product Code: MIRTS96

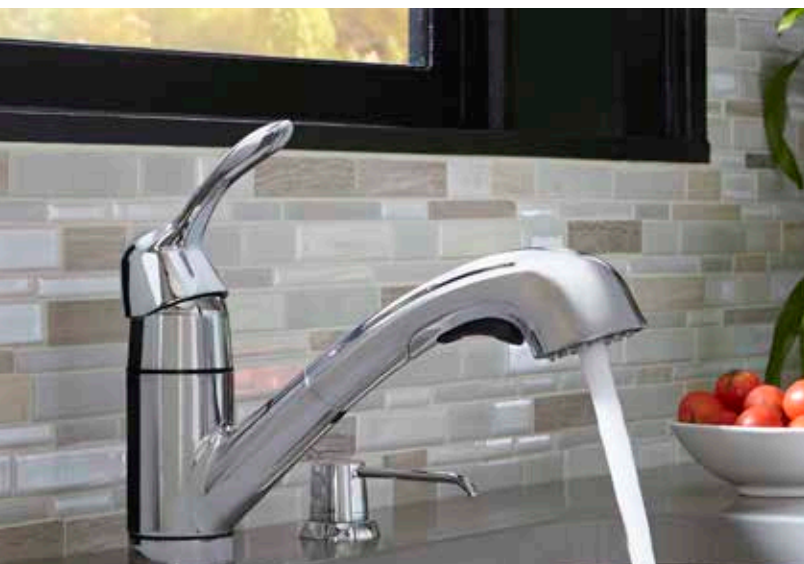

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP, BN, ORB

TUB SPOUT
Product Code: MIRTS97

- Brass construction
- 1/2 CTS slip fit connection
- Available in CP, BN, ORB

All Mirabelle faucets have a lifetime limited warranty and meet the following standards: ANSI: A112.18.1M; NSF/ANSI Std. 61 compliant; cUPC/IAPMO listed. MIRWS: WaterSense approved; Compliant with U.S. Public Law 111-380. Installation, operating, care and maintenance instructions are included.
